

HockeyScrapper

Smart KHL Ticket Monitoring System

Team 25

Kamilla Iarullina • Bulat Bulatov • Khamza Valikhanov

Gleb Shamiev • Samir Shakirov

 June 28, 2026

Problem

Ticket announcements are spread across different club websites

Sales may open unexpectedly

Fans have to manually check multiple sources

Ticket sales are sometimes announced after they have already started

Solution

HockeyScraper

Automatically monitors ticket sales information and notifies users when tickets become available for their favourite teams.

Auto Parsing

Instant Notifications

Team Subscriptions
